

Coala Life June monthly KPI's USA

KPI's June 2023:

- Patients in RPM as of June 30, 2023: 4,100
- Annual revenue rate as of June 30, 2023: 5.6 MUSD

Explanations of KPI's

Patients in RPM as of June 30, 2023 – Number of patients that the company monitors in USA at the end of June.

Annual revenue rate as of June 30, 2023 – Estimated recurring revenue in USD based on June month's revenue, measured at an annual rate.

Comments of KPI's June 2023

Volume growth has picked up again with over 10 new clinics at the end of the second quarter. The effect on annual revenue is explained by timing, i.e. when in the month the patients were connected to the service.

About us

Coala-Life Group AB ("Coala Life" or the "Company") founded in 2015, is a Cloud Based Software as a Service provider, and medical device developer and reseller, listed on Nasdaq First North Growth Market. The Company focuses on B2B solutions for managed Remote Patient Monitoring ("RPM"), offering medical care providers, primarily in the US, with a highly scalable, cost-efficient platform to remotely and virtually manage large volumes of patients suffering from chronic diseases. The company offers care providers a comprehensive solution and lifts the administrative work from the care providers regarding, amongst other things, follow-up, 24/7 monitoring, as well as the reimbursement process from state and private health insurance companies. Patients are monitored long-term in everyday life and typically have diabetes, obesity, and /or cardiovascular disease.
