

Coala Life's CFO is leaving the company

Coala-Life Group AB's CFO, Richard Roa, has at his own request chosen to end his employment for new challenges outside the company. Richard Roa will remain in the company's service until the end of September. Coala Life's controller, Robin Danielsson Källmark, is appointed interim CFO as of September 1. Coala Life has initiated the process of finding a new CFO.

About us

Coala-Life Group AB ("Coala Life" or the "Company") founded in 2015, is a Cloud Based Software as a Service provider, and medical device developer and reseller, listed on Nasdaq First North Growth Market. The Company focuses on B2B solutions for managed Remote Patient Monitoring ("RPM"), offering medical care providers, primarily in the US, with a highly scalable, cost-efficient platform to remotely and virtually manage large volumes of patients suffering from chronic diseases. The company offers care providers a comprehensive solution and lifts the administrative work from the care providers regarding, amongst other things, follow-up, 24/7 monitoring, as well as the reimbursement process from state and private health insurance companies. Patients are monitored long-term in everyday life and typically have diabetes, obesity, and /or cardiovascular disease.
